Cover Page

1. Please revise to clarify the maximum offering amount and maximum number of shares to be offered. We note that such numbers should not be expressed as a range. Please refer to Rule 253(b)(4) of Regulation A. We also note that your current disclosure indicates a maximum of 100 million shares at a maximum of \$0.06 per share, which would equal a maximum offering amount of \$6 million, not \$4 million as you indicate. The addition of the warrants further increases the maximum offering amount. Please revise your offering circular to clarify these issues and make the corresponding changes to Part I as well. Please also refer to Rule 253(b)(2)(ii) of Regulation A.

2. We note that the Consent of Independent Registered Public Accounting Firm, filed as Exhibit 11.1, consents to the incorporation by reference of your report dated August 13, 2021, with respect to the company's audited financial statements as of April 30, 2021 and 2020. However, we also note that this post-qualification amendment includes audited financial statements for the year ended April 30, 2019, but does not included the corresponding auditor consent. Please revise to file the auditor's consent for each set of audited financial statements. In addition, please revise the filing to include an audit opinion for each set of audited financial statements.

We will consider qualifying your offering statement at your request. If a participant in your offering is required to clear its compensation arrangements with FINRA, please have FINRA advise us that it has no objections to the compensation arrangements prior to qualification.

We remind you that the company and its management are responsible for the accuracy and adequacy of their disclosures, notwithstanding any review, comments, action or absence of action by the staff.

Please contact Cara Wirth at (202) 551-7127 or Lilyanna Peyser at (202) 551-3222 with any questions.
